## TEAM CARLISLE

Part of the Sports & Education Program, *Team Carlisle* is a fun and inclusive program designed to create friendly competition, team spirit, and an opportunity for both adaptive and recreational riders to work together.

In addition to showcasing each rider's skills at Carlisle Academy's Fun Show, we have teamed up with **High Knoll**

**Equestrian Center** (Rochester, NH) to offer two additional **inter-barn** competitions, specific to our integrated teams. Shows will include a variety of classes for all levels of riders, ranging from leadline to obstacle course, pleasure class to dressage tests. Full class lists are on back side of this flyer. Riders enter two classes of their choice.

In addition to these horse shows, team members will meet for 3 unmounted meetings to develop horse management skills, learn show etiquette, and increase team camaraderie. ***Team members must be enrolled in Carlisle's regular weekly riding classes in order to meet the team requirements. Space is limited to 15 participants.***
